LETTER TO STOP RECEIVING AFAS DUES THROUGH AN UNAPPROVED ACCOUNT.

Trust this meets you well,
There has been a trending graphics which includes the dues that AFASITES are meant to pay for the new session,and that through an unrecognized account.

The account that was attached to the link that AFASITES are meant to pay into,is not the association's account,and the Legislative council did not receive any official notice concerning this new development nor approve another account to be used to receive the Association dues.

However,it is essential that the Executive Council STOPS to receive any further dues from AFASITES through that link and Account with immediate effect.
